Carnival supports children

Carnival supports children

On May 15, more than 1,000 community members came out to support the Fourth Annual "Kidsabilities" Carnival at the Children's Specialized Hospital grounds in Mountainside. Here, Joey Marranca of Fanwood tries his hardest to win a prize. Co-hosted by the hospital and Kohl's, the day was open to patients and their families, as well as community members. Attendees were treated to free food, activities and entertainment all day, including carnival games, face painting, a stilt walker, a juggler, and a bubble room.
